The night was peaceful and quiet as a sea. Everyone is now sleeping softly. The Fairytail guild was covered with silence and broken bottles of beer were left lying on the floor. Everything seems to be fine but little that did they know that a dangerous entity was making its way to the very same place that they prefer to call as home.

Morning came by and everyone was already up except for Erza. The noise of natsu and grey's nonsense fight woke her up.

"Would you stop that!" Erza shouted as she transformed with her Heavens wheel armor.

"Erza, good morning.." Natsu and Grey was trembling with fear as they turned their heads on the Red haired mage.

Natsu and Grey were sent flying by Erza's attack but her mood was changed when Lissana burst out from the Guild's door.

"Everyone! We have a big problem!" Lissana cried for help.

Everyone went outside and were surprised as soon as their eyes caught a glimpse of all what was happening. They can't believe their own eyes as they watch every townspeople kissing each other.

"What the heck?! " Erza exclaimed.

"Stop this nonsense!" Natsu roared.

Everyone stopped and looked at them strangely.

"What is happening here?" Erza asked one of the girls who they caught kissing each other.

Neither of the girls replied instead they all went inside their houses pulled each other's partner.

"When I came here, Everyone were kissing each other just like that" Lissana explained.

A few seconds later, a man wearing a red mask with a red cloak appeared out of nowhere.

"Like my show?" he said.

"What kind of magic is this?" Erza asked with authority and transformed into her black wing armor.

"Well, I really am not good at talking. How about I give you guys a free taste? " A magic circle appeared at everyone's ground and burst out a red light.

Everyone was hit by the mysterious magic but nothing seems to happened.

"What kind of joke is thi.." Erza asked as the weird man disappeared before their eyes.

The day ended and some of the guild members went asleep already except for Erza, Juvia, Lucy, Lissana, Natsu , Happy and Grey and makarov, their guild master. They were still thinking about that masked man.

"We need to catch that guy and put a stop to these ridiculous events" Erza said, sitting on the table with her legs crossed.

"But how and we still don't know that man's magic" Lucy explained, wearing her sleeping clothes.

" Nah! We just need to burn him into ashes!" Natsu replied as he ate the fried chicken leg.

"You never changed did you?natsu" Grey grinned

"Do you want to get beaten again? Huh?! Grey" Natsu pointed his burning fist at the Ice mage.

"And since when I got beaten?" Grey boasted.

The two mages fought again like always.

"Well, I think it will be better if we can just skip this and continue tommorow" Makarov requested.

"I think you are right. Good night Guys" Erza went to her room and waved her hands.

Erza directly went to her room and changed clothes using her magic. After a few minutes, Someone knocked on the door.

"Wait a sec." Erza said with a low tone, obviously sleepy.

It was Juvia. She was still wearing her regular clothes.

"What are you doing at this time of nig..!" Erza's words was cut by Juvia as she kissed Erza deeply.

Juvia pushed Erza to the wall and continued kissing the red mage.

Juvia was shocked on Juvia's sudden action. She knew that Juvia loves grey but this is ridiculous. Erza pulled away from the kissed and asked, "What are you doing Juvia?!".

"Juvia knows that you know that Erza also wants this" Juvia kissed Erza once again.

Erza can no longer resist her kiss so she went along with it. She responded to Juvia's kisses and did the same thing. She kissed Juvia passionately until Juvia wrapped her tongue unto Erza's mouth. The Red haired mage's left hand held Juvia's head while her left hand slowly went down to the water mage's upper thigh.

"uhmmâ€|.ahmm" juvia moaned as she pushed Erza to her bed.

The blue haired mage stripped all of her clothes until her underwear and bra were the only thing left. She slowly crawled on Erza's slender body and continued kissing.

Erza stripped all her clothes including her undergarments.

"So you want this huh? Then .." Erza said as she flipped juvia's body on the bed.

Erza kissed Juvia deeply and slid her two fingers to Juvia's inside.

"Ah ah ah uhm.. ahm.. Erza More please!" Juvia moaned

Juvia held Erza tight as the red mage thrusts her fingers faster.

Erza's tongue kissed juvia's neck and did everythin all over aain until the sun rises..

Too bad Juvia did not managed take her turn because erza was too aggressive. XD

2. Chapter 2 : Wendy x Chelia

****Warning: This story contains yuri scenes (Rated M). Fairytail is obviously not mine.****

****Note: I wrote about Wendy x Chelia because someone suggested it and I find them cute and good for each other. ****

After the masked man's mysterious attack, Wendy started to feel weird. She can't stop thinking dirty thoughts about the guild's female members. So she decided to take a walk on the streets to cool her head a little. As she walked down the streets, she saw countless people kissing each other.

"I think this is the effect of that man's magic but what did he want from us and from Fiore?" Wendy asked herself.

Her mind was thinking so deep that she bumped into the Sky god slayer, Chelia. Wendy can't help but look at her from head to toe, noticing the mage's slender body.

"what's up Wendy?" chelia greeted cheerfully.

Wendy did not respond. She was stunned at how bigger chelia's chest than her.

"Wendy? Are you alright?" Chelia repeated.

"Oh yeah yeah. I'm okay" She finally replied.

"Did you saw a masked guy around here?" Wendy added as she stares at Chelia's pretty eyes.

"No. I did not. Do you know what is happening around here? What happened to these people?" Chelia started to get worried.

Once again, wendy did not respond instead she kept staring at chelia's neck.

"Wendy! Are you really alright? How about we go somewhere more private to continue this conversation?"

"wait what?! Wait!" Wendy's right hand was pulled by Chelia.

The two mage directly went towards Chelia's dorm.

"So what really happened around here Wendy?" Chelia asked with a low tone.

"I don't really understand but a masked â€œ|" Wendy stopped speaking when she saw Chelia's red lips.

"Wendy?! Snap out of it!" Chelia shouted.

"Cheliaâ€œ|. I want to tell you something" Wendy slowly said.

Chelia held wendy's left hand and replied, "You can trust me, I am your friend after all"

"I love you" Wendy suddenly leaned her head to chelia and kissed her.

"Wai..!" Chelia was shocked at wendy's sudden actions and pulled away from the kiss.

"Wait! What are you doing?" She asked as she held Wendy's shoulders.

The young dragon slayer ignored her and continued kissing her lips but this time she started using her tongue.

"uhmm!" Chelia couldn't breath and resisted from the kiss.

"Wendy?! What has is happening to you?!" She started shouting.

"so you didn't like it. . . ." Wendy frowned as her eyes started to shed tears.

"I don't mean it like that" Chelia tried to comfort the little mage.

Wendy was going to cry until Chelia kissed her on the lips passionately.

"Do you really want that so badly?" Chelia asked with a seductive tone.

Wendy nodded and removed her clothes. She started to kiss Wendy on the lips with her tongue and slid her hands on Wendy's thigh, making its way at the mage's underwear.

"uhmm.." Wendy moaned as the two mage wrapped their tongue at each other.

Wendy pushed Chelia on the bed and tried to remove the Sky god slayer's panty.

"wendyâ€|" Chelia continued kissing her partner and held her tight.

Chelia felt Wendy's hands sliding to her legs and thrusts two fingers into her.

"wait wendy, Wait ! ah ah uhm.. ahmm.. " Chelia tried to cover her mouth to stop the sound of her moan.

Wendy's tongue licked chelia's neck and started caressing her breasts.

"uhmmmâ€| Wendy this â€|ahmm.. is too â€| ah uhmâ€|much" Chelia tried to stop Wendy but the young mage started to get a little aggressive. She wanted to push wendy but her body was starting to get weaker. Wendy thrusts her fingers faster and started removing Chelia's upper clothing. Her tongue licked slowly down to Chelia's body and started to lick Chelia's inside.

Chelia held wendy's head and started to moan loader which she failed to stop.

"Ah ah ahm uhm ah ah ah Wendy , I love you" Chelia moaned.

Chelia flipped her partner unto the bed and made her turn. She removed Wendy's underwear and thrust her two fingers faster and wrapped her tongue into her mouth.

"ah uhm ah ah more Chelia please ah uhm" Wendy moaned and requested for more.

Chelia went down and licked Wendy's inside while the blue haired mage moaned louder, feeling her lover's tongue.

"ah ah ah uhm ah" Wendy moaned

Unfortunately, the two mage forgot to lock the door. Carla walked down the hallway and heard loud moans from a room nearby. She tried to peek a little and saw Chelia licking wendy's inside.

Carla closed the door and blushed.

Meanwhile that night, a masked man lurks around the streets , smiling.

"That time is nearâ€|"
